MAGTECH'S NEW SHOOTIN' SIZE™ OFFERS 250 ROUNDS/BOX

Magtech Ammunition, Inc., a manufacturer and distributor of ammunition products, introduces their new Shootin' Size™ box, packing 250 rounds of convenience for the recreational format of plinking. Whether it's shooting paper targets, silhouettes or fun targets like soda cans and balloons, the Shootin' Size is available in 38 Special, 357 Magnum, 380 Auto, 9mm Luger, 40 S&W and 45 Auto for all of your recreational targeting needs.

For the past 75 years, Magtech Ammunition has been using the highest quality materials, cutting-edge manufacturing technology and state-of-the-art equipment to provide the shooting industry with exceptional standards for ammunition manufacturing and distribution. Each round is designed and constructed to meet SAAMI and CIP technical specifications for reliability, consistency and safety.
